

# Have you or your loved one been affected by cancer?

## Join the ImPaCT Research Study!

You can help us understand the experience of Spanish-speaking Latino/e/a/x/Hispanic patients and their families so we can improve the care and support provided to them.

### You are eligible to participate if

#### PATIENT

- You are 18 years of age or older
- You have a diagnosis of cancer
- You speak Spanish as your primary language

#### FAMILY MEMBER

- You are 18 years of age or older
- You are involved in the care of your family member with cancer
- You speak Spanish or English as your primary language

**Complete one interview and receive \$50 as a thank you**

**Your information will remain confidential.  
We will not disclose your immigration status.**
