

## Join the ImPaCT Research Study!

Help us understand the experiences of Vietnamese-speaking adults and families so we can improve the care and support provided to them.

# Have you or your loved one been affected by cancer?

You are eligible to participate if

### PATIENT

- You are 18 years of age or older
- You have a diagnosis of cancer
- You speak Vietnamese as your primary language

### FAMILY MEMBER

- You are 18 years of age or older
- You are involved in the care of your family member with cancer
- You speak Vietnamese or English as your primary language

**COMPLETE AN INTERVIEW AND RECEIVE \$50 AS A THANK YOU**  
Your information will remain confidential
